EXPERIENCE

Food Preparer – Cold Food

LSG Sky Chefs

August 2024

Austin, TX

- Assembled airline meal trays and prepared food per production specs while maintaining cleanliness and following food safety standards
- Worked efficiently in cold, fast-paced environments; regularly lifted 50+ lbs and stood for extended shifts

Passenger Service Assistant

Prospect Airport Services

April 2024 – July 2024

Austin, TX

- Provided one-on-one wheelchair and aisle chair assistance to elderly, disabled, and sensory-impaired passengers across all terminals
- Ensured timely, courteous transport to gates, restrooms, restaurants, and other key areas while handling luggage up to 75 lbs
- Used mobile tools to track passenger status and maintained a safe, efficient travel experience during rotating shifts in a high-traffic airport

Lot Loader

The Home Depot

November 2022 – Present

Austin, TX

- Delivered excellent customer service by greeting guests, assisting with loading heavy items, and answering product/location questions
- Maintained front-end cleanliness, stocked carts, ensured safety compliance, and supported team operations across departments during peak hours

Cashier, Bagger, & Produce Associate

H-E-B

November 2016 – February 2022

Austin, TX

- Stocked, rotated, and merchandised produce while maintaining cleanliness and food safety standards
- Prepared cold food products such as avocado mixes, salsas, fruit, and veggie trays in a refrigerated prep room while following food safety and quality standards
- Completed company training including Alcohol Seller's certification and accuracy standards
- Delivered fast, accurate checkout service while prioritizing customer satisfaction
- Processed cash, credit, and SNAP/EBT transactions with attention to detail

EDUCATION

Bachelor of Science in Electrical Engineering, Texas State University

Minor in Applied Mathematics

Expected May 2028
